

**GROWING FORWARD**  
GIVING INITIATIVE

Dear Friends & Family of our Stafford Farm School community,

We are thrilled to share some exciting news with you! Our school community is once again embarking on a journey to “grow forward!” What began in 2020 as a modest one-room schoolhouse with just eleven students has blossomed into a vibrant community of 95 students during the 2023/2024 school year. This incredible growth is the result of the love, support and generosity of family and friends who have championed our mission to do school differently!

For the past four years we have witnessed the way that our hybrid model of education strengthens families, elevates the parents’ influence, and slows down childhood. We cherish these things deeply, and we desire to share them with as many families as possible.

As we look ahead to the 2024/2025 school year, we are preparing to accommodate up to 160 students at Stafford Farm School, as the demand for our unique hybrid model of education continues to soar within our community. This will allow us to add a Junior High program and grow our elementary school even more. The response from families interested in joining Stafford Farm School has been overwhelming, and we are humbled by the opportunity to extend our reach and impact.

We invite you to join us in our 2024 Growing Forward initiative, as we work to create five additional classroom spaces, a staff office, and outdoor facilities to accommodate our growing student body. We have established a priority list of items that need to be purchased for these spaces, and we would like you to thoughtfully consider making a contribution. Your support is crucial in making this expansion possible and please know that a gift of any size will have a true impact on the lives of countless students!

If the vision of Stafford Farm School excites you, we’d love for you to consider becoming a visionary by signing up as a monthly giving partner. Our Visionaries play a vital role in bringing our mission to life, and their ongoing support allows us to continue providing an exceptional Christ-infused academic environment for our students to thrive.

All donations to Stafford Farm School are tax-deductible, and every contribution will help create a beautiful space for these children to “grow forward.” We believe wholeheartedly in the power of community, and we are confident that together, we can make a lasting difference in the lives of our students.

Thank you for considering how you can support Stafford Farm School and champion the next generation of learners. Your generosity is deeply appreciated, and we are grateful for your continued partnership on this journey.

With gratitude,  
Stafford Farm School

**Ways to Give:**

- Visit our giving page to select items and donate online: [staffordfarmschool.org/growingforward](https://staffordfarmschool.org/growingforward)
- Use the list included to select your items and mail it back with a check to:
